Package Options (A package may be cheaper than the Standardised Price List)

‘Direct Cremation’ - direct cremation at a local crematorium. This package is suitable for those who do not want to have a service for mourners to attend. Please ask your funeral director for a full breakdown of what’s included in this package	Prices from £1,385 Includes a basic coffin & Essential fees
‘Simplicity Cremation’ – a short service of reflection at Chesterfield Crematorium. This package is suitable for those who can attend an early morning service, and who wish to give their loved one a simple, dignified send-off, but without any of the traditional formality. The short service allows time, should you wish, for a family member to give a brief reading, or for you to come together in quiet prayer, or to perhaps listen to a favourite piece of music. We will convey the coffin to the crematorium ahead of the service, so upon arrival the coffin will be in place ready for the service to begin. Due to the reduced chapel time, we would not recommend this short service if a large number of mourners are expected. Please ask your funeral director for a full breakdown of what’s included in this package	Prices from £1,715 Includes a basic coffin & Essential fees
‘Set Cremation’- a simple funeral service at Chesterfield Crematorium. This package is suitable for those who can choose from a limited choice of dates & times for the service (often early morning), and who wish to make their own arrangements for additional items such as floral tributes/order of service sheets etc. The cortege will leave from the funeral home and meet you at the crematorium. Please ask your funeral director for a full breakdown of what’s included in this package	Prices from £2,535 Includes a simple coffin & Essential fees
‘Flexible Cremation’ – a bespoke funeral service at Chesterfield Crematorium. This package is suitable for those wanting to be-spoke all aspects of the arrangement and includes the provision of a limousine departing from a local address of your choice. We will work with you to choose a convenient date & time for the service, and we will undertake all arrangements with third party suppliers on your behalf, such as florist /printers etc. Please ask your funeral director for a full breakdown of what’s included in this package	Prices from £3,270 Includes a simple coffin & Essential fees
